Chief Presidency Magistrate.

Order under rule 81 (2) of the Defence of India Rules.

Whereas in Public Works Department G.O. Ms. No. 3838, dated 23rd October 1942, the Commissioner of Police has been authorized to order restrictions and rationing of electric power under rule 81 (2) of the Defence of India Rules in consultation with the Chief Engineer (Electricity), Chief Electrical Inspector to Government and the Madras Electric Supply Corporation, Limited, in exercise of the said powers and in consultation with the authorities mentioned above, I, R. Hume, Esq., C.B.E., do hereby order:—

Order.

1. (a) In these orders 'licensee' means the Madras Electric Supply Corporation, Limited.

(b) 'Consumer' means all consumers of electric energy from the Madras Electric Supply Corporation, Limited, in the City of Madras.

(c) 'Domestic consumption' means all consumption of electric energy other than for essential services, industrial, agricultural and public street lighting purposes. In the event of a dispute as to whether any consumption is for domestic or other purpose the decision of the Chief Electrical Inspector shall be final.

2. No public street lighting shall be allowed after 10-30 p.m. On moonlight nights, that is to say, on the full moon day and three days before and three days after the full moon day, no street lighting will be permitted except under the orders of the Commissioner of Police, who shall have regard to the state of the weather and traffic conditions generally in granting this exemption.

3. No cinema shall consume electric energy after 9-15 p.m. except on Saturdays and Sundays. No cinema shall be open more than 15 minutes before the commencement of each show. No cinema shall exhibit trailers or advertisements. No cinema shall have an interval of more than three minutes duration.

4. All lighting and fans in public rooms in hotels, restaurants and clubs shall be cut off not later than 10 p.m. except on one specified day in each week, which shall be previously notified to the Commissioner of Police.

5. No consumer shall display illuminated advertisements, or goods, or electric signs either inside or outside a building. This order shall not apply to chemists, dispensaries and essential services.

6. Domestic consumption of each consumer shall be restricted in accordance with the following provisions :—

(i) The licensees shall estimate each consumer the number of units of current per month which he will be permitted to consume. This amount will be calculated by the licensee by taking into consideration the average consumption by the consumer and subjecting it to a cut of 20 per cent except in the case of cinemas and other places licensed under sections 34 and 35 of the City Police Act as places of public resort which will be subject to a cut of 25 per cent. Any current estimated to be consumed by refrigerating machines shall not be liable for the 20 per cent cut. The amount will be rounded off to the nearest unit. In calculating the average due allowance shall be made for seasonal periodic absences. In any case in which the licensee is satisfied, in view of a change in tenancy, or of additions or improvements, or for any other reasonable cause, that the calculation based on the average as mentioned above will not be equitable and will cause unnecessary hardship the licensee may proceed to fix the amount of current permitted in his discretion. The discretion of the licensee as to the amount of current fixed for any consumer shall be final and binding on the consumer until it has been revised or modified as hereinafter provided.

(ii) Any consumer who is aggrieved with the decision of the licensee may apply in writing giving reasons, to the licensee to revise his decision. The licensee may thereupon either revise it or confirm his original decision. If the consumer is not satisfied with the decision of the licensee he may require the licensee to refer the matter to the Chief Electrical Inspector to Government. The Chief Electrical Inspector's decision in the matter will be final.

(iii) For every unit in excess of that permitted under this order the consumer shall pay a penalty rate of 8 annas to the licensee. The total amount of penalties thus collected less the licensee's share at the rates the licensee is authorized to charge shall be placed at the disposal of the Government of Madras. This penalty shall be in addition to any prosecution or other action that may be taken under rule 81 (3) of the Defence of India Rules.

7. The provisions of this order except those in paragraph 6 above shall come into force on the 23rd November 1942. The provisions of paragraph 6 will come into force from the date on which the consumer or his representative is notified by the licensee that his consumption of current has been restricted to the amount mentioned in the notice.

Sale of sandalwood in the Coimbatore North district.

About 300 tons of cleaned sandalwood (roots, billets chips and saw dust) will be offered for sale by public auction at 12 noon on Monday, the 21st December 1942, at the Forest Sandalwood Depot at Satyamangalam, 38 miles by road from the Erode Railway station and 43 miles from the Coimbatore Railway station. A bus runs from the Erode Railway station to Satyamangalam at 6 a.m. and from Coimbatore to Satyamangalam at 7 a.m.

A detailed list showing actual quantities in each class will be given to each bidder before commencement of the sale.

2. The wood has been classified according to the classes noted above and intending purchasers are advised to inspect the wood before the sale, as no alteration in the classification will be allowed nor will complaints of any kind be admitted.

3 Each class of wood has been stored in the sandalwood godown separately in bulk because accommodation is limited. Each class of wood will be offered for sale in lots of 15, 10 or 5 tons as convenient. Delivery will be made from bulk stocks as purchasers arrive to take delivery. Bids will be per ton of each class of wood. The bids shall be advanced in multiples of Rs. 5 per ton and not less

4. The sale will be subject to confirmation by the Conservator of Forests, Coimbatore Circle, who does not bind himself to accept the highest or any bid.

5 Before being allowed to bid, each intending bidder must pay an earnest money deposit of Rs. 1,000. If paid in cash immediately before the sale this should preferably be in the form of Madras notes for Rs. 1,000 or Rs. 500. A revenue treasury challan for the amount will also be accepted. A cheque may be accepted from old established buyers only for the amount at the discretion of the officer conducting the sale.

6 The earnest money deposit of unsuccessful bidders will be returned immediately after the sale is over and that of successful bidders will be credited towards the purchase price as provided in condition 8

7. Each purchaser shall, immediately a quantity is knocked down to him sign his name at the foot of the sale list in the column provided for the purpose, and such signature will be held as an admission on his part of his having purchased that particular quantity and of having accepted the conditions of the sale notice. No person will be allowed to deposit and bid jointly at the sale.

8 Immediately the sale is over, each purchaser, if his offer for any definite quantity has been accepted by the Conservator of Forests, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this amount into the Imperial Bank of India at Coimbatore or the Reserve Bank of India at Madras within fifteen days of receipt of the order of confirmation of the sale and another 25 per cent before 1st February 1943 the balance of 50 per cent less the earnest money deposit being paid on or before 1st March 1943 or against delivery whichever is earlier. Should any purchaser fail to make the necessary remittances by the due dates the money already remitted shall lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the risk of the purchaser who shall be liable for any loss but shall not participate in any profit which may arise by the resale provided that the District Forest Officer may in his sole discretion condone petty delays for periods not exceeding 10 days subject to the payment of interest on overdue instalments at 6½ per cent per annum. In calculating such interest any period of less than 15 days shall be counted as half a month and the minimum charge shall be Re. 25.

9. After 50 per cent of the entire sale value has been paid to the credit of the Forest department, delivery of the sandalwood may be made to the purchaser, provided that until payment has been made in full, delivery shall not exceed the quantity paid for, less an amount equal in value to 25 per cent of the full purchase price

The delivery will be by full lots at a time and no lot will be delivered by portions

10 On the purchaser's presenting chalans as proof that 50 per cent of the entire sale value has been paid a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 9 supra. If, however, proof is produced that the entire sale value has been paid the whole of the sandalwood purchased will be weighed and handed over. The purchaser must take delivery of and remove the whole of the wood sold to him on or before the 31st March 1943.

11. The accepted bidders, when deputing their agents to take delivery must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder

12 No further cleaning or classification of sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department must be accepted.

13. After the wood has once been weighed and handed over if the purchaser fails to remove all the wood within the period allowed in clause 10, demurrage will be charged at the rate of Re 2 per ton per diem from the last date fixed for delivery until the wood is finally removed

14. No sandalwood shall be removed from the depot till a license to remove it, signed by the officer of the Forest department, who delivered the wood shall have been obtained and till every piece of sandalwood that can be stamped bears the district "Sala Ammer" mark.

15. The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

16. The purchaser shall bear the cost of taking delivery of sandalwood which work will be done only by labour supplied by the officer in charge of the depot. The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed.

17. Each intending bidder, unless specially exempted by the Conservator of Forests, Coimbatore Circle, Coimbatore, on an application made in writing at least fifteen days before the date of sale must produce a solvency certificate signed by a responsible Revenue Officer of the district in which he resides; and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificates. In lieu of the solvency certificates the bidders may deposit cash with the officer conducting the sale and they will be permitted to bid up to the value of cash deposited.

18. The purchaser should give at least seven days' notice of his intention to take delivery to the District Forest Officer, Coimbatore North, Lawley Road P.O., Coimbatore, supported by bank remittance in token of payment. No delivery will be made on holidays.

19. Any supplementary conditions that may be found necessary will be added and read out at the time of auction.

20. The full quantity of wood advertised for sale will not necessarily be put up to auction.

21. Further particulars can be had on application to the District Forest Officer, Coimbatore North Division, Lawley Road P.O., Coimbatore.

In the case of intending bidders, who have previously bought sandalwood from the Forest department, a cheque on the Imperial Bank of India for the amount will be accepted, but the discretion to accept such cheques rests entirely with the officer conducting the sale. This amount (the earnest money deposit) will be retained as security for the due fulfilment of the conditions 8 and 10 infra.

Should any purchaser fail to make the necessary remittances by the due dates the money already remitted will lapse to Government and the District Forest Officer will be at liberty to resell the wood in question at the risk of the purchaser who shall be liable for any loss, but shall not participate in any profit which may arise by the resale. The District Forest Officer will also be at liberty to charge interest at 6¼ per cent per annum on overdue instalments. In calculating interest any overdue period of and below 15 days shall be treated as half a month and any period in excess of 15 days but below one month as a month.

10. After 50 per cent of the entire sale value has been paid to the credit of the Forest department, delivery of the sandalwood shall be made to the purchaser provided that until full payment has been made a quantity of wood equivalent to 25 per cent of the full sale value shall remain unremoved, but paid for.

The delivery will be by full lots at a time and no lot will be delivered by portions.

11. On the purchaser's presenting chalans as proof that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 10 supra. If, however, proof is produced that the entire sale value has been paid, the whole sandalwood purchased will be weighed and handed over. The purchaser must take delivery at and remove the whole of the wood sold to him on or before the 15th March 1943.

Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which it was originally purchased before effecting removal. If any one purchaser has purchased more than one lot or class and if there is any excess in one lot or class and deficit in the other, when weighing at the time of delivery on a particular day, the value of the deficit noticed calculated on the rate at which the main lot or class was sold will be adjusted towards the value of the excess quantity noticed in the other lot or class as the case may be, and the balance, if any, still due from the purchaser will be collected before permitting him to remove the quantity delivered during the day. If, however, the net quantity delivered results in a deficit on account of drynge over the recorded quantity at the time of sale, the value of the deficit quantity at the purchased rate will be refunded in due course.

12. The accepted bidders, when deputing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post, with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

13. No further cleaning or classification of sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department, must be accepted.

14. After the wood has once been weighed and handed over, if the purchaser fails to remove all the wood within the period allowed in clause 11, demurrage will be charged at the rate of Rs. 2 per ton per diem from the last date fixed for delivery until the wood is finally removed.

15. No sandalwood shall be removed from the depot till a license to remove it signed by the officer of the Forest department, who delivered the wood,

shall have been obtained and till every piece of sandalwood that can be stamped bears the department's 'sale hammer' mark.

16 The officer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the intending purchasers.

17. The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed

18 The purchaser shall bear the cost of taking delivery of sandalwood. The depot contractor will supply the required labour for taking delivery of the wood As persons other than those supplied by the contractor will be allowed to enter in the depot premises.

19. Each intending bidder unless specially exempted by the Conservator of Forests, Salem Circle, Salem, on an application made in writing at least fifteen days before the date of sale, must produce a solvency certificate specifying the maximum up to which he is solvent signed by a responsible Revenue Officer of the district in which he resides; and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificates. In lieu of the solvency certificate the bidders may deposit cash with the officer conducting the sale and they will be permitted to bid up to the value of cash deposited.

20. The purchaser should give at least seven days' notice of his intention to take delivery, to the District Forest Officer, Vellore West, Tiruppattur, supported by bank remittance in token of payment. No delivery will be made on holidays.

21 Any supplementary conditions that may be found necessary will be added and read out at the time of auction.

22 The full quantity of wood advertised for sale will not necessarily be put up to auction.

23. Further particulars can be had on application to the District Forest Officer, Vellore West Division, Tiruppattur, North Arcot.
